

International Scientific-Practical Conference
“DIAGNOSTICS OF LOCALIZED PROSTATE CANCER”

15-16, May 2023

1st day - 15, May 2023

MODERATORS: DR. MANTAS TRAKYMAS and DR. MARIUS KINČIUS
 NCI conference hall, Santariškių str. 1, 08660 Vilnius

09:00 – 09:10	Welcome word. OECI and EBU EUSP Host Centre for Prostate cancer. Dr. Marius Kinčius, Deputy Director for the Clinic, President of Lithuanian Urological Society Dr. Jurgita Ušinskienė, Head of Diagnostic and Interventional Radiology Department
09:10 – 09:30	Morphological diagnostics of prostate cancer. Gyd. Darius Dasevičius, pathologist, National Center of Pathology
09:30 – 10:30	Structurised prostate MRI evaluation: PI-RADS, PRECISE, PI-RR Dr. Rūta Briedienė, radiologist, NCI
10:30 – 11:30	Robot assisted MRI guided prostate biopsy: clinical indications and practical single center experience Prof. Joan C. Vilanova, Clinica Girona, Research Unit of Diagnostic Imaging Institute (IDI), Department of Radiology, Department of Medical Sciences, Faculty of Medicine, University of Girona
11:30 – 12:10	MRI guided prostate biopsy - cognitive, UG fusion, MRT in bore, Dr. Mantas Trakymas
12:10 – 12:50	<i>Coffee break</i>
12:50 - 14:00	Consensus based guidelines on prostate biopsy: selecting the most appropriate prostate biopsy: real clinical cases” MDT discussion for localized PC detection, indications for MRI in bore or MRI/US fusion guided prostate biopsy Prof. Joan C. Vilanova, dr. M. Trakymas, dr. R. Briedienė, gyd. I. Naruševičiūtė, dr. J. Ušinskienė, gyd. A. Ladukas, dr. A. Ulys
14:00 – 14:15	Procancer project: input from NCI Dr. Jurgita Ušinskienė, radiologist, NCI

2nd day – 16, May 2023

MODERATORS: DR. MANTAS TRAKYMAS and DR. JURGITA UŠINSKIENĖ
Diagnostic and Interventional Radiology Department MRI unit,
Santariškių str. 1, 08660 Vilnius

09:00 – 11:30	MRI sequences for visualizing prostatic lesions in robot assisted MRI guided prostate biopsy. Robot assisted MRI: hands-on, 2 cases Prof. Joan C. Vilanova, Clinica Girona, Research Unit of Diagnostic Imaging Institute (IDI), Department of Radiology, Department of Medical Sciences, Faculty of Medicine, University of Girona
11:30 – 12:00	Prostate biopsy with MRI/US fusion: NCI experience, hands-on, 2 cases Dr. Mantas Trakymas, interventional radiologist, NCI
12:00 – 12:30	<i>Coffee break</i>
12:30 – 14:00	Prostate biopsy with MRI/US fusion: NCI experience, hands-on, 2 cases Dr. Mantas Trakymas, interventional radiologist, NCI
14:00 – 15:30	Transperineal cognitive prostate biopsy, hands-on, 2 cases. Dr. Arvydas Vėželis, urologist, NCI
15:30-16:00	Discussions

REGISTRATION: email: radiologija@nvi.lt

Members of the Lithuanian Society of Urology and
employees of the National Cancer Institute – free of charge

Employees of other Institutions – 80 Euro
